

AVGO OIL COMPRS HP Series (Compressor Oil)

Description

Performance compressor oil:

AVGO OIL COMPRS HP is a series of compressor oil designed for high performance with high viscosity index, which it can sustain high operating temperature to provide consistence performance.

AVGO OIL COMPRS HP is formulated with highly refined mineral base oil and performance additives which its can provide superior lubrication, thermal stability, anti rust, anti corrosion, anti foam, anti wear and anti oxidation.

AVGO OIL COMPRS HP can be applied to rotary screw air compressor, rotary vane air compressor and reciprocating air compressors, the oil can lubricate, cooling, wear prevention and cleaning on the moving mechanical parts.
