

## PERFOLINE HP DUAL FUNCTION OIL

### Description

#### Performance circulating oil:

AVGO OIL PERFOLINE is a series of Zinc Free and Ash Free circulating oil designed for high performance dual lubricating application in Hydraulic, and Slide way system.

AVGO OIL PERFOLINE is formulated with highly refined group II paraffinic base oil with high performance additives which its can provide superior thermal stability, de-emulsification, anti rust, anti corrosion, anti foam, anti wear and anti oxidation.

AVGO OIL PERFOLINE can be applied from light to heavy duty machinery with high load pressure and high temperature condition, it has a unique combination of additives to be able applied in wide range of machines which required high performance circulating oils with high viscosity index.
